A few weeks ago the New-Jersey Sheep and Wool Company, of which James N. Pidcock, ex-Congressman, is president, began the erection of an irchouse in Henderson-st. The building extends in part over a strip of ground 60 feet wide by 100 feet deep, the ownership of which is in dispute. Petween 5 and 6 o'clock yesterday morning a force of men was sent to the paace by the Delaware, Lackawanna and Western Rahroad, under command of Christopher II. Stimis, and in a short time they had torn down that part of the building which had extended over the disputed property. Then they pat a fence around the strip. An hour later a gang of men sent by Mr. Pidcock tore down the fence. A fight was imminent when a police force arrived and stimis was arrested. Justice O'Donnell told him that he and his men must keep their hands off the property until the ownership is settled. Mr. Pidcock says he owns the property, but it is rumored that the property is owned by the city. A police force is in charge, and will remain until the question is settled.

Adolph M. Lakey, who was arrested at Taylor's Hotel a short time ago, as he was about to sail for Europe, on a charge that he was trying to swindle diamond dealers in New-York, was discharged by Judge Lippincott vesterday. He has been twice discharged and rearrested. The court held that the charge of fraud had not been sustained.

NEWARK.

The Newark police made arrests yesterday in the case of the attempt at burglary at the home of John Wood, No. 38 Grove-st., on Friday afternoon, when Mrs. Topping and her sister, Miss Sadie Wood, were badly frightened, according to their story. Those arrested are Walter Wood, seventeen years old, other of the two women; Thomas Donahue, same brother of the two women; Thomas Donahue, same age, of No. 55 Liberty-st.; James Murray, same age, of No. 513 Market-st., and William Clark, twenty-three years old, who boarded at the Keystone lodging-house. Donahue and Murray were trying to sel shawis at second-hand clothing stores ir Canal-st. when arrested. The women deny that they recognized their brother when the men were trying to chloroform them. The prisoners did not break into the house, as the front door was unlocked.

The statement coming from Trenton that a new track would be established in Essex County under the new laws could not be verified yesterday. Godfried Krueger, the brewer, who was indicated as me of the projectors of the racetrack, said yesterday hat he knew nothing about such a project, and had sthing to do with it.

John Van Alton, the telegraph lineman who fell from a pole upon which he was working. Thursday, died on Friday night from the effects of his injuries.

RUTHERFORD.

The Rutherford Free Public Library Association was organized on Friday night at the home of Mrs. Riggs, a well-known private school principal, with the following officers: President, the Mayor of Rutherford, ex-officio; vice-president, Charles H. War-President, the Mayor of ner; secretary, Mrs. Gnade; treasurer, Mrs. H. G. Bell; trustees, the officers and S. H. Rhodes, Charles Burrows and Mrs. Castor. A public meeting will be held in Ivlson Hall on Tuesday evening, March 28, when plans for securing the library will be laid before

the people.

A well-attended meeting of the Lincoln League was held on Friday night, for the purpose of introducing the Republican and Citizens' candidates to the members of the club. Short speeches were made by Luther Shafer, candidate for Mayor, and others. The meeting 'was enthusiastic and confident.

AT WORK ON THE FILTHY STREETS.

OPPOSING THE PLAN TO PAY SWEEPERS AND DRIVERS \$2 A DAY.

The Acting Street-Cleaning Commissioner, John J. Ryan, placed 350 extra men in the streets yesterday, and with the assistance of the rain he expected to uncover a number of street pavements and crosswalks by to-morrow. The extra gangs of sweepers and cartmen were ordered to continue at work last night, and all through to-day and to-night.

The employes of the Street-Cleaning Department are complaining that they are required to work seven days in the week, getting no extra compensation for Sunday. Commissioner Brennan's private secretary, Edward F. McCarthy, explained yesterday that "the law fixes the compensation of street-sweepers and cart-drivers at \$50 a month, allowing no extra pay for Sunday work. The constant use of some streets during the week makes it impossible to clean these thoroughfares on any day except Sunday. The men complain of this, but as long as the law stands in its companion in the cannot help it. A bill is pending present shape we cannot help it. A bill is pending in the Legislature, fixing the compensation of streetsweepers and cart-drivers at \$2 a day and 25 cents an hour for extra work. If this measure becomes a law we can pay our men for extra work."

The members of the Advisory Committee, which riginated the new Street Cleaning law, and the Ladies' Auxiliary Street-Cleaning Society, of which Mrs. Kinnicutt is president, are strongly opposed to the proposed change of compensation of the department's employes from \$50 a month to \$2 a day and 25 cents an hour. They say that it is a scheme to make the men wholly dependent on Tammany Hall for their term of service. Protests against the bill have been filed in both houses of the Legislature and with the Governor.

CONTESTS OF HARVARD ATHLETES.

WINNERS OF GAMES AT THE FIRST SPRING MEETING.

Cambridge, Mass., March 11 (Special).-The Harvard Athletic Association held the first of its three spring etings in the Hemenway Gymnasium this afteron. It was devoted to shot putting, wrestling and sparring. There was a large number of entries, but what promised to be a successful meeting was made ing of a fallure by the backing out of men at the last minute. The only performance which was really creditable was the shot-putting. W. S. Shea, L. S., won this by a throw of 40 feet 6 inches. Shea's record comes within 4 1-2 inches of the best Harvard made by Evans at the New-England cham onship games last spring. In the special weight arring (140 B) C. Crane, '94, the winner in last year's meeting, was beaten by T. H. Mastin.

Gehring, '95, failed to appear in the middle-weight restling, and the bout was awarded to E. E. Clark 94, who agreed to wrestle with Gould, '96, a heavy eight man. Gould won. It took four rounds to settle the feather-weight match between V. Munroe, '96, and C. Smith, '96. It was a close thing at the finish, but the referee gave the bout to Smith, and after an exhibition sparring match between Gardner Perry, of the Law School, and P. V. K. Johnson, '93, L. Newman and T. H. Mastin faced each other Mastin stood up bravely, but Newman held him at his He let him off easily, or it would have bad with Mastin. The officers were: General referee, G. B. Before Judge Dykman yesterday, at a special se on of the Supreme Court of Westchester County, obert Sewell began an action for non-performance of contract and damages against Peter A. B. Widener and William L. Elkins, of New-York City. Calvin Prost appeared for Mr. Sewell. DEPUTY-MARSHALS PROTECT NON-UNION MEN. Eureka, Utah, March 11.-Manager Hyde, of the Bullion Beck mine, telegraphed the United States Marshal for additional officers vesterday, and four deputies arrived here at 6 o'clock last evening. There are now over a dezen deputy-marshals here, but serious trouble is hourly expected. The company resumed work yesterday morning with non-union men, and fifty more arrived last night. About noon yes terday the union miners and their wives and children advanced in a body upon the company's ground. Vio-lent demonstrations were indulged in, and it looked for a time as if a riot would ensue, but order was finally restored. The mine owners will do all they can to protect the non-union men, but great appre-hension is felt in all quarters as to the final outcome.
